About Palmer Pad Printing

We offer several printable dispensers. Not only are they universal for most towel, tissue, and soap, they have heavy duty double-latch locks with an industry standard metal key. Your logo will surely stand out when printed in our metallic silver ink. Logos are printed in the bottom center of the dispenser cover. The logo can be up to 2.5 inches wide with a height of up to 1.5 inches. Our made in the U.S.A. family of dispensers provides a consistent, first-class quality offering to you and your customers.

How to Get Your Logo on Palmer Dispensers:

Contact us via email at info@palmerfixture.com or by calling 1-800-558-8678 for a quote.

Adding a pad printed logo to your Palmer Fixture dispenser is easy and appealing to the eye. It is also a great way to promote your company or customer!

With YOUR logo on Palmer Fixture dispensers, you can show them something that will stick!
