

Singlefold Towel Dispenser

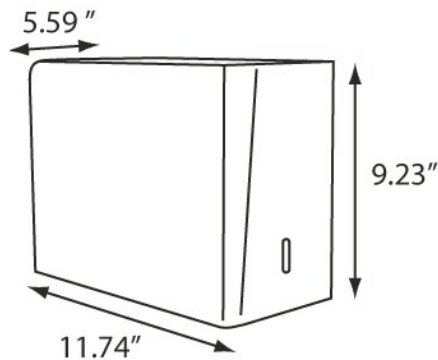

Product Overview

The TD0091 Singlefold Towel Dispenser is constructed from durable steel in a white finish. It is easy to load, and holds approximately 450 sheets. Easy towel removal ensures one towel per pull and user touches nothing but the towel they use. A heavy-duty 2 prong long helps prevent theft and waste. Unit features a side view window of paper supply. Uses any universal singlefold towel.

Product Features:

- Ensures one towel per pull
- Easy towel removal
- Durable steel construction
- Easy to load
- Holds approximately 450 towels
- ADA Compliant
