

Electronic Hands Free Roll Towel Dispenser

Product Overview

The TD0235 Electronic Hands Free Roll Towel Dispenser is the smallest and quietest towel dispenser on the market! The TD0235 offers reliable and efficient hands free operation – with a stub roll feature that reduces paper waste.

Product Features:

- Economically designed – small footprint, simple operation
- Lower waste with a reliable dispense of an 11" sheet with every cycle
- Automatically dispenses when hand is placed over the sensor
- Includes a stub roll feature, making for more precise control of paper consumption
- "Low Battery" indicator light
- Easy access to battery compartment
- Optional AC/DC Adaptors available (#SP012400)
